St Tropez Soft-Weave Armchair

Elegant outdoor seating for restaurants, hotels, terraces and premium hospitality spaces.

DESCRIPTION

This luxury outdoor tub-style chair delivers exceptional comfort and contemporary elegance, making it a standout addition to any garden, patio, or terrace. Designed with a deep, embracing shape, it features a supportive soft-weave back that gently contours the body, paired with a plush cushion for all-day relaxation.

The EPC-coated aluminium frame provides outstanding durability and weather resistance, helping ensure long-lasting performance in outdoor environments. Its refined rope-weave detailing adds texture and visual appeal, blending modern style with practical comfort.

The chair is stackable when the cushion is removed, making storage simple. Available in a stylish brown and taupe finish.

Key Features

- EPC aluminium frame
- Textilene rope-weave seat/back
- Stacks up to 4 high (cushions removed)
